

Kabankalan City Water District Strengthens Team Spirit and Embraces Public Sector Unionism

The Kabankalan City Water District held a two-day team building activity and orientation on public sector unionism at Almandria Highland Resort in Barangay Cabatangan, Talisay City, Negros Occidental. The event aimed to enhance employee morale, foster teamwork, and provide valuable insights into the principles and practices of public sector unionism. The orientation was conducted by Atty. Phillip Bernard Capadosa, who shared his expertise on the subject, guiding employees through the details of public sector unionism.

The team building activity, held on August 23-24, 2024, divided employees into color-coded teams, challenging them to work together to complete various tasks. The team that consistently demonstrated exceptional teamwork and efficiency emerged as the winner. Team Blue, led by Gene Francis Martir, secured first place.

The team building activity and orientation were valuable experiences for KCWD employees. These events not only strengthened team bonds and promoted camaraderie but also equipped employees with knowledge about public sector unionism. This activity helped build a much more healthy relationship between employees, making them work with harmony.
